Turn the
fire up a bit
more!

Are you
guys ready?

Yeah

All ready!

From that
I will take the
fire burning up the
stage to the
audience.

Then let the
smoke of the fire
reflect on the
screen.

First, light
it up! Fire

stage.

Not bad?

How was
that done?

We shot in

his

Kurosaki
Ken,

One day I
suddenly
found out
that I had a
twin
brother,

Afterwards, my
father fell ill
and could not
recover,

ultimately as
the only child,
I had to take
up this heavy
burden

At this
moment
Kurosaki
made an
appearance...

At that
moment my
father was
CEO of
Japan's
second to
none,

Azumi
Financial
Group

I ran away
from the
fight for
two reasons.

to find my
only little
brother who
I've never
met.

Right before my
18th birthday I
became depressed,
unsettled and
scared.

My mother
died when I
was 10.

That first
day we met...

I suddenly
wanted to
meet you in
body.

Karasaki,
yes...

I remember
it.

Are those
two facing
each other
inside the
mirror?

but the pool is
gone
somewhere...

The body
is right
here.

James
and
Karasaki

The father who
raised you
came to the
police station

and
started
crying.

I found out
the kind of
life you
had,

I don't know
what would have
happened if the
police hadn't
intervened

I'm Karasuki
Takoru

You
guys
are
idiots!

He looks
like me
but
that's not
Karasuki!

I looked in your
sharp looking
eyes

and I
started to
think of
something

could we put the
two lives back
together again?

were
separated by a
twist of fate,

The two of us
that were
originally one
cell

You still
wear that
dark and
gloomy
expression.

You sneakily
came through
the back
door,

I have
already
planned
everything
out.

On the day of
my 13th
birthday,

after the
party, at the
residence.

Parasite!

*changed our
fates forever -*

!

You even went
and tattooed
the exact same
birthmark as
me...

Birth-
mark...

What
in the
world are
you trying
to do?

I heard from
my father
that you even
especially
went and
asked him
about the
shape of my
birthmark...

SPIT IT
OUT!

HE EVEN WENT TO YOUR
UNCLE'S PLACE TO ASK
FOR PAYMENT FOR
RAISING ME!

ALL BECAUSE
OF YOUR
STUPID IDEA

THAT YOU LET MY
DAD KNOW THAT I
AM A RICH KID'S
SON,

I asked
him not to
do it...

Kicked
me...

Ugh...

Kicked?

Kamoko

We will
not have to

suffering for
the both
of us!

Want to
disappear.
Just
like that?

Both
of you

I won't

happen

And leave
us alone

Both of

A dream?

Is this...

I was carried
out of the
theatre.

Who are
those people
outside?

Help is
at...

Normal

I broke
the mirror

It's
all my
fault

Did Jin
and Tokoro
die?

That
time

No! They
didn't die!

In the end,
they forgave
each other and
decided to
die together.

Tokura
didn't want
him to die,
leaving him
alone.

But,

He really
wanted to
die.

At the
time...

And rescued
you from the
fire...

We then
rescued you
were there.

And
everything
returned
to the
present.

The
mirror
broke.

But
then,

The
two of
us

But in
that short
moment
everything
changed

Originally,
one of us had
to die to end
this tragedy

Will work
together to
live on!

Both
of our
memories

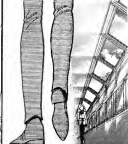

are inside
me

It's probably
because we
both knew you
that every-
thing
changed

Remember

Remember

It's *fairer*
this way...

... Oh!

It's the
help of 'Jin'
and
'Kuroaki'
combined

Not
'Kuroaki'!

I can't
call you
'Jin'...

Since
he appeared...

Moments ago...

How
should I
address
you?

Ah...

It will
be called...

And I
want to be
part of it

To write
a screenplay
on the story
of Jin and
Kuroaki.

I decided

But I
really
want...

Don't say
you want to
go back.

Beautiful Ballet Dancer

ときめきに抱かれて

As long as we
can finish
hopefully we
can get out of
this situation.

To tell the
truth, since we
already learned the
truth before, of course
we want to be
in a hurry.

It won't
be easy to
be caught by
them.

Even our
truth.

Some thought
you were a girl,
but that was a
mistake!

But what you
lack is

a sense
of feminin-
ity

Your technique
is elegant,

but to
maintain
that and
execute

Then what
do you want
me to do?

That
herb...

And at
the same
time, let you
learn the
Japanese style
of ballet!

It is
fine for
you to learn
classical
ballet,

I want
to perform
the roles of
Blackbird or
Princess the
real from
Sleeping
Beauty.

Ah... Serious
You want me to
dance with a
partner?

What
kind of
dance would
you like to
perform?

That
bustard!

Especially this
part of showing
the ballet school!

Then my
job is to
transform her
into a girl?

But I feel
she's more
suited to
dance
Cinderella

He's too much!

He's full of smiles
around others!

No

Remember
we're using
our prac-
tice time to
go on a

Just call
me "Nana,"
like the
rest.

Ein
Karl!

Oh
broader
that,

Remember
to dress
up, too!

What is he
thinking?

Do
you

Even if it's
my station,
unreasonable and
strict and scary
mother,

Even if
we don't get
along, it'll
still be
interesting

It's as if my
body becomes
one with the
music,

Which
makes me
forget
everything!

But I
think dancing
is fun!

But 'til
now, I have
no idea
why I took
up ballet

There was a
period where I
gave up dancing,
but I realized
I just wanted to
carry on
That's why I went
to join another
dance troupe!

Don't you
dance ballet
as well?

Why do
you want to dance
ballet?

That's because
I grew up in the
dance studio

That's what I lack the feeling of being totally immersed

And forgetting everything around you!

Of course!

You're not gonna do that!

Don't start dancing ballet there, though!

When we
practice
like
normal.

Err...
It's okay.
It's a date
anyway.

Couples are
slow dancing

Let's not
devote that

It seems kind
of weird now.

But...

We have to
hold hands

Doing this
type of
dance...

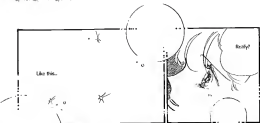

It's really
weird...

Hmm?

Dance any
way you want,
it's fine!

It's like
my hands
and legs
are in
disarray!

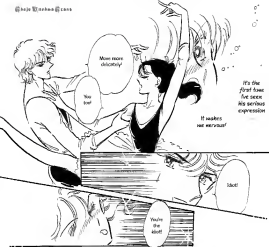

Is that how
forgetting
everything
around you is
like?

You're
welcome!

Thank

We're
working with
each other
better

We are
getting
better

Like mother.
Like son?

Totally different
from me.

I think he's
totally over-
rated himself
in the dance!

He says he
can't stand
with ballet.

So
beautiful

Strange

Why am
I so nervous
after hearing
his voice?

Waited
Your turn

Every time
I hold his
hand...

Or get close
to his face

My face will
go red and my
heart will race!

It's as delicate
as the wings
of a bird!

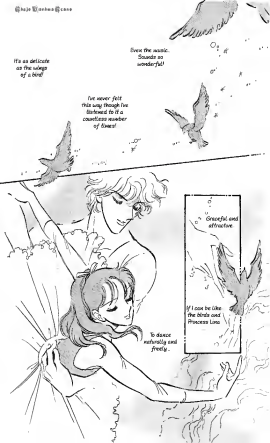

Even the music
sounds so
wonderful!

I've never felt
this way though I've
listened to it a
countless number
of times!

Graceful and
affectionate.

If I can be like
the birds and
Procreate Love

To dance
naturally and
freely.

Isn't she
from the Central
Sales Troupe?

Yoshiko?

It's because
we like each
other!

My secret
for improving
so quickly?

Are?

Oh!
So being able
to communicate
is important!

Oh!

It really
surprised
me!

Changed
from all the
bickering and
arguments
we had.

I can't
tell her
that!

Then...

He told
him to start
a relationship
with her,
right?

Nothing,
I didn't expect
him to follow
my advice.

Mitsuzane,
what's wrong?

He...
No matter
what you say,
I still believe
in this
theory!

No wonder you did
it would bring out each
full performance
potential!

You
stupid!

Besides,
it's not like I can
start a relation-
ship with anyone
so easily!

He...
No wonder
Kazuo asked me
out on a
date...

I should've
known it was
something
like that!

He...
So this is
how it is!

What does it
mean anyway?

He said that
it was a moment
of impulse.

Those happy
memories will
disappear just
like that

It feels kind
of lonely
suddenly.

Does he treat
me differently
from other girls?

Kazu
probably
doesn't care
since he went
out with so
many girls
before.

That was
my first
kiss!

From that day
forward he
practiced
seriously.

Actually
I wish he could
have kissed
me.

What are
you doing
here then?

How will
he react if I
tell him?

Competition

If I were to participate
in the competition
with her...

Even if the
performance has
ended, I can still
see her!

I still
think the
time is very
attractive.

Even though
I've used such competi-
tions are not
considered as ballet
competitions,

Even...
My intentions
are not
sincere and
pure.

Sweetie!

Group
Members, please
get ready to go on
stage.

What!
What a
starry
face!

Yoshiko!
You should
get ready
in front of
the stage!

Earl
I'm going
now!

The
day
of
the
festival
has
come.

My teacher
is also here to
watch your
performance.

Do your
best!

If you catch her
attention, she intends
to sign us both up
for the public ballet
competition...

Oh?
But she
knew that?

The
competition?

So that's
why.

You do
want to
participate
in it, right?

It's because
dancing with you
will allow me to
win the competi-
tion. That's why
I approached you.

But...

Everyone
expects you,
the ballerina who
came in first,
to dance with
someone like
me!

Your current
status will help
my interests of
being inexperienced,
and give me a
fresh form of
feeling!

It doesn't
bother me!

The
nightmare
some where
Princess
Odette
appears

Because
of that, you
didn't bother
to consider
my feelings
at all

Being
able to
participate
in the
competition
—

And winning
at the same
time is
really
exciting!

I think
that you
—

Know
nothing
about ballet
at all

After the
single leg
lift all
exit the
stage
alone!

But her
fang from
outside...

I can't
worry too
much
anyone...

is showing
in her hand
and leg
movements!

Single
leg
lift!
